

**ENGAGE AND
EMPOWER YOUR
TEAM WITH US**

START ENGAGING YOUR PEOPLE, START MAKING AN IMPACT

The Huddle is an award winning not-for-profit that leverages the power of sport to strengthen education and careers for young people.

Since 2010, we have engaged over 120,000 young people from over 160 different cultures to learn, grow and belong.

Pre-COVID, 40% of Australian students in schools were disengaged from their education, leading to a range of disruptive behaviours and falling two years behind their peers academically and socially (Grattan Institute, 2021). Disengagement is leading to poor health, education and economic prospects. Businesses are facing similar challenges with disengaged employees costing the Australian economy more than \$2 billion a year (Gallup, 2022).

By booking The Huddle, your team will feel engaged and empowered and you will be helping us to engage more than 20,000 children and young people each year to feel a stronger sense of belonging in the places where they live, learn, work, worship and play.

LEARN.GROW.BELONG

Embedded into the North Melbourne Football Club, The Huddle is guaranteed to engage your staff and partners with access to the only immersive space of its kind in the Southern Hemisphere.

The Huddle is the perfect space for teams of up to 30 people to feel engaged, be inspired, connect with each other, and explore the future of possibilities.

With cutting-edge technology and inclusive facilities, The Huddle can create immersive and imaginary worlds available for your teams use, including:

- **TEAM BUILDING**
- **LEARNING AND DEVELOPMENT**
- **STRATEGIC PLANNING WORKSHOPS**
- **PRODUCT LAUNCHES**
- **FOCUS AND RESEARCH GROUPS**
- **INTIMATE CONFERENCES**

Visit thehuddle.org.au/facility-bookings to confirm your booking. Please nominate your preferred three dates at the time of booking. All bookings will be confirmed within 24hrs.

GAME DAY

Game Day, an Australian first, is an immersive AFL-themed journey designed to engage and empower teams to build upon their strengths and plan for the future.

Over a two-hour period, Huddle staff will facilitate team building activities where participants will work in teams to complete challenges to power up the 'Shinboners', AFL and AFLW Kangaroos players to help defeat the 'Specky Bots'. The Specky Bots are a formidable and diverse group of players that represent a broad cross-section of our communities. Statistics will show they're bigger and faster than their opponents.

Cutting-edge technology is used to create an atmosphere where people feel like they are part of the game.

NOT YOUR ORDINARY MENU, FOOD THAT MATTERS

Food brings us energy and connects us. The Huddle works with [STREAT](#) to help young people who have experienced marginalisation, disadvantage and a range of barriers to employment.

By choosing STREAT as part of your event, you will be helping to provide a sense of connection, safety and belonging to young people.

Food and beverage options are additional costs per head, see the [menu](#).
